Pursuant to Chapter 22 of the Acts of 2022, this meeting of the Lexington Conservation Commission will be conducted via remote participation to the greatest extent possible. Specific information for remote participation by members of the public and/or parties with a right and/or requirement to attend this meeting can be found below. No in-person attendance of members of the public will be permitted, but every effort will be made to ensure that the public can adequately access the proceedings in real time, via technological means.
