

**PUBLIC MEETING NOTICE
Conservation Commission****LexMedia**

Meeting broadcasted by LexMedia

AGENDA *Thursday, September 22, 2022 at 7:00 p.m.*

On July 16, 2022, Lt. Governor Karyn Polito, as acting governor, signed legislation to extend key pandemic-era accommodations, including remote local government meeting authorizations, through March 31, 2023. Pursuant to Chapter 22 of the Acts of 2022, this meeting of the Lexington Conservation Commission will be conducted via remote participation to the greatest extent possible. Specific information for remote participation by members of the public and/or parties with a right and/or requirement to attend this meeting can be found below. No in-person attendance of members of the public will be permitted, but every effort will be made to ensure that the public can adequately access the proceedings in real time, via technological means. In the event that we are unable to do so, despite best efforts, we will post on the Town of Lexington website a transcript as soon as possible after the meeting.

This Conservation Commission meeting will be held remotely via Zoom, an online meeting platform. Public Participation via calling in or using your computer is encouraged.
