

The Lexington Public Schools 10-Year Master Planning materials are designed to assist decision-makers in the prioritization of future capital planning projects, large and small. The most recent iteration was completed in May 2021 and concludes that Lexington High School is the most critical priority in terms of current LPS facilities needs. These materials are the product of thoughtful deliberation by the LPS Master Planning Advisory Committee.

You can access the final plan and other resources below.

Lexington School Master Planning Advisory Committee

September 29, 2022 from 9:00 - 10:30 a.m. *This meeting will be conducted in person and remotely.*

Central Office, 146 Maple Street

Join Zoom Meeting <https://lexingtonma-org.zoom.us/j/99398724779>

Attendees: Daniel Abramson, Melissa Battite, Sandra Beebe, David Coelho, Michael Cronin, Rick DeAngelis, Julie Hackett, Maureen Kavanaugh, Kathleen Lenihan, Alan Levine, Richard Perry, Jess Quattrocchi, Mark Sandeen, Deepika Sawhney, Michael Schanbacher, Dan Voss

Anticipated Outcomes

- A shared understanding of where we are in the MSBA's Eligibility Period
 - A shared understanding of new developments in LPS capital planning, including a rollout of the new LHS Capital Planning Website
 - Determine what space mining strategies, if any, need to be acted upon now.
- I. Introductions/Review of [Minutes](#)
 - II. Eligibility Period Milestones
 - Submission of LHS Educational Profile Questionnaire
 - III. Important Updates
 - SC unanimously appoints a member of Sustainable Lexington to the School Building Committee
 - [Superintendent's Recommendation](#)
 - New LHS Capital Planning Website!
 - See Communication Plan
 - See FAQs
 - Central Office Space Utilization Study Underway
 - IV. LHS Space Mining Discussion - What strategies do we need to
 - Homework: Read [LPS Master School Facilities Planning Compendium \(May 2021\)](#), pp. 26-33
 - Review [LHS Space Mining Considerations, 2019](#)
 - Review [LHS Space Mining Presentation, March 2019](#)
 - V. Next Meeting
 - What happens to the Central Office at 146 Maple Street? Do we stay? Ball fields? 173 Bedford? New LHS? Determine process for answering these questions.
