To Whom It May Concern,

You are receiving this letter as an update on the capital improvements scheduled for Sutherland Park. The project is scheduled to mobilize on Monday, April 5, 2021. The first phase of the project includes the replacement of the existing play structure and the second phase includes the ADA walkway installation.

In the coming weeks and months, additional play elements designed for older children will be considered for Sutherland Park. The preliminary options from the playground company will include location, play elements and budget. This will allow staff to move forward with a funding request at the Special Fall Town Meeting 2021. The options will be reviewed during a public meeting held by the Recreation Committee that we invite you to attend on Wednesday, April 21, 2021. The meeting agenda will be posted here <https://www.lexingtonma.gov/calendar-by-event-type/16>.

For more information please visit the capital web page:

Please contact me with any questions or concerns, I can be reached at 781-698-4800 or via email at [mbattite@lexingtonma.gov](mailto:mbattite@lexingtonma.gov). Thank you for your support as we improve the park for generations to come.

Sincerely,

Melissa Battite, CPRP
