

**ARTICLE OSRD**

**AMEND ZONING BYLAW  
OPEN SPACE RESIDENTIAL DEVELOPMENTS**

To see if the Town will vote to amend the Zoning Bylaw to permit open space residential developments; allow increased gross floor area in multi-family developments; or act in any other manner in relation thereto.

*(Inserted by the Select Board at the request of the Planning Board)*

**DESCRIPTION:**

This article would update the Zoning Bylaw to permit open space residential developments, as defined under the state Housing Choice law as codified at Massachusetts General Laws Chapter 40A, Section 1A. Open space residential developments would be subject to limits on gross floor area and require the preservation of open land in its natural state and the provision of affordable dwelling units. This amendment to the Zoning Bylaw would also provide incentives to preserve historic buildings and require site plan review by the Planning Board.
