

FY2023 Proposed Public Facilities Capital Projects

Presentation by Christian Boutwell,
Recreation Committee Member

Annual Town Meeting 2022

Facilities Capital Projects: Article 16(h)

Town Pool Water Heater Analysis

- Funds from the Tax Levy will be used to hire an engineering firm to evaluate and present all possible non-fossil fuel options to generate domestic hot water at the Irving H. Mabee Town Pool Complex. All options will be cost estimated and final presentations made to the Select Board and Recreation Committee.

Town Pool

\$31,000
