To see if the Town of Lexington (“Town”) will raise and appropriate a sum of money to be expended under the direction of the Town Department of Public Facilities and Permanent Building Committee for a Land Use Concept Plan (“Plan”) for the Worthen Road Recreation and Education District and any costs incidental thereto: and determine whether the money will be provided by the tax levy, by transfer from available funds, by borrowing or by any combination of these methods; or act in any other manner in relation thereto. The Plan will address planning considerations such as appropriate land uses, vehicular and pedestrian circulation, parking, ecological impact, active and passive recreation, public events programming, adjacent residential neighborhoods, and the future of LHS, among others that will contribute to land use in the District.
