Dear Neighbor,

You are receiving this letter as an abutter to the Center Recreation Complex located at 80 Worthen Road. The December 21, 2022 Recreation Committee meeting includes an agenda item to review the final plans for the Hard Court Reconstruction Project of the Gallagher Tennis/Pickleball and Faris Basketball Courts. The project is anticipated to go out for bid in early 2023 with mobilization and construction to take place late June 2023 through October 2023.

The project will include the construction of post tension court surfaces for basketball and tennis/pickleball. In addition to the new courts, the project will provide new fencing, athletic equipment, storage shed and site amenities such as benches, receptacles, signage and practice boards.
