Dear Neighbor,

You are receiving this letter as an abutter to the Center Recreation Complex located at 80 Worthen Road. The Center Recreation Restrooms and Maintenance Building was approved funding during the Annual Town Meeting 2022. The project has gone out to bid and the contract is currently being awarded. The project is expected to mobilize in mid to late March. The construction timeline is expected to be 12-16 weeks. All vehicles will enter from Park Drive and will not use the side streets. The Park will have portable restrooms available during the duration of the project for the public to use while enjoying the facility.

The project will include the construction of new restrooms, including accessible restrooms, improved lighting and renovation of the DPW maintenance side of the building for improved efficiencies.

Please contact me with any questions or concerns, I can be reached at 781.698.4800 or via email at mbattite@lexingtonma.gov

Thank you for your support and patience as we improve the park for continued years of enjoyment.

Sincerely,

Melissa Battite, CPRP
Director
